

**SVHS Graduating Class of 2009  
% Meeting College Readiness Benchmarks**

This data is provided through the 2009 ACT Profile Report. The information reflects the scores of the graduating class of 2009 who were required to take the test during April of their junior year (2008). Students are also able to re-take the exam through their senior year and these scores reflect the highest scores reported to ACT. One of the District's goals is to have all student "college ready" by the time they leave high school. The following ACT benchmarks scores were recommended by ACT and used to determine our "college readiness" percentages.

Reading: 21  
 Math: 22  
 Science: 24  
 English: 18

The goals of having every student meet "college readiness" benchmarks will require the collaborative effort of all grade levels and content areas. The percentage of Illinois students meeting college readiness benchmarks for the class of 2009 were:

Reading: 48%  
 Math: 40%  
 Science: 27%  
 English: 66%  
 All Four: 22%
