207 W. Main St.

Stillman Valley, IL 61084

## P.E. Uniforms

The Board of Education in May 2003 passed the resolution requiring a uniform in junior high physical education. Hopefully, it will help with our problem of clothing being lost in the locker rooms, as well as continue to promote teamwork and effort in our program. The new policy reads, "students are required to wear the uniform purchased at school." If your student did not purchase a t-shirt last year or has grown out of it, he/she will need to purchase another one. It is not mandatory to purchase the shorts that we have for sale, as long as they are all black with no writing or design on them and of appropriate length. The t-shirts will be \$7.00 and \$7.50, depending on size, and the shorts are \$12.50. Both may be paid for at registration. The uniform will be available by the first week of school.
