Policy Committee Meeting**

**May 3, 2011  
6:30 p.m.**

**Meridian Junior High Board Room  
Summary Report**

Present: Bruce Larson, Kevin Glendenning, John Smith, Kayla Acton (student), Paxton Abbott (student), Bob Prusator (superintendent)

The Board Policy Committee met on Tuesday, May 3, 2011 at 6:30 p.m. in the Meridian Junior High Board Room.

The Board Policy Committee met with the Student Advisory Council to further the development of the scope and purpose of the Student Advisory Council as a resource to all levels of the district and allow students to assume greater responsibility in their own education. The Student Advisory Council in conjunction with a member of the Board Policy Committee will meet Monday May 9<sup>th</sup> to add a statement to the policy that will more formalize the Student Advisory Council but will also allow further development of this endeavor to be considered by the full board.

The committee also reviewed policy recommendations from February Illinois School Board Association PRESS issue. The committee will continue to review the recommendations but indicated that the recommendations appeared to be acceptable. If the policy recommendations are acceptable, they will be placed on display at the May 12, 2011 regularly scheduled School Board meeting.

The committee briefly reviewed status of the School Board policy administrative procedures. The ISBE is in the process of sending a CD version of the draft, which will then be distributed to the committee.

The Policy Committee adjourned at 8:55 p.m.

Respectfully Submitted,

Bob Prusator
